This app is only available in the App Store for iPhone and iPad. Fun to play the original Mexican lottery, anywhere and anytime! Deal cards with billions of different combinations without repeating cards or winners. Create tablets manually or automatically create tablets from scratch or let the app automatically fill in your tablet. You can also put your favorite cards and let the autocomplete take over after that. Change the cards before the game so that no one calls you a hoax. Play on any tablet or phone! Keep an eye on each card hand out to check the winnings. Win Settings Change the winning settings to show different types of wins. Lines, columns, four corners, medium squares, or not at all, it's your choice! You decide how to win! It would be great if you didn't have to scroll to play a few cards at eleven... Maybe 4 per page would work even if the cards were smaller... This is a good app to play with. One modification would be to add a sound sound to call the cards. One thing that is new is the ability to use for Facebook to live so changes or add-ons need to add numbers around the board. Tiny so far this is the best app I've found.
